STUDENT NAME: _____ FORM CLASS: _____

PARENT/CARER NAME: _____ DATE: ____/____/2019

PARENT/CARER SIGNATURE: _____ DUE DATE 16/9/2019

2020 YEAR 10 SUBJECT SELECTION NOTES:

General information:

- All students study Maths, English, Science and HPE/History.
- Students are required to select 3 additional preferences.
- HPE extension elective is for students interested in studying physical education in year 11 and 12. This subject has a heavy theory load and is not for students wishing to play more sport.
- Please read notes below and your Subject Information Booklet for more information.

Electives:

- **Students cannot select the same subject twice.**

Excellence Programs

These occur before school, after school during lunch breaks and may be subject to auditions/trials. There are some exceptions where these programs may be run during normal school time. Tick the box or boxes below if you are interested. * **Students audition/trial for entry into the following programs:**

Year 10 Science Options

All year 10 students study science. However students can indicate a preference for Science or Practical Science. Practical Science classes are developed by looking at students outcomes from year 7,8 and 9 plus student preference.

- **Science** is a subject that continues to prepare students for senior science subjects. In order to study Physics; Chemistry; Biology; Marine Science or IB sciences you must choose science.
- **Practical Science** is for students who have found science challenging in year 9. If you choose Practical Science you cannot choose Physics; Chemistry; Biology; Marine Science or IB sciences in year 11.

Please Nominate your Science choice for 2020 by circling or highlighting below:	
SCIENCE	PRACTICAL SCIENCE

Semester 2 Electives:

In Semester two students complete their HPE and History studies and can elect a further elective from the list below:

Please nominate from elective list below. Please preference each subject from 1 semester only for each subject (rank subjects 1-7)			
ABORIGINAL & TORRES STRAIT ISLANDER STUDIES		PHYSICAL EDUCATION	
HISTORY ANCIENT HISTORY (ONE TERM) AND MODERN HISTORY (ONE TERM)		HEALTH	
GEOGRAPHY		SPORT AND RECREATION	
ECONOMICS AND LEGAL STUDIES (ONE TERM OF EACH SUBJECT)			

Notes

1. Students studying **HPE Extension** cannot select Physical Education as their semester two elective.
2. All subjects except Sport and Recreation are preparation for university entry subjects in year 11 and 12. If students are planning on a university pathway Sport and Recreation is not recommended.
3. Physical Education has a strong theory element in preparation for the demands of year 11 and 12.

Italian Immersion

Students can elect to study Italian Immersion History as an elective. This is history delivered in Italian language. They study this instead History and HPE. To study this subject you must either be already studying Italian Immersion in year 9 or be receiving a B standard or above in Italian.

I am interested in studying Italian Immersion History in 2020	
YES	NO
