

External assessment equipment list

External assessment

Supervisors will check your equipment, including calculators, before you enter the assessment room.

Approved equipment for all assessments

- black or blue pens
- 2B pencil, sharpener and eraser
Note: a 2B pencil is only required for multiple choice questions and drawing graphs or diagrams. Black or blue pen must be used for all other written responses.
- a highlighter
- a clear plastic ruler
- water in a clear unlabelled bottle
- asthma inhaler.

You may use a clear plastic container or ziplock bag to carry your equipment if needed.

QCAA-approved calculators

Only calculators approved for use in assessments are permitted. Scientific and graphics calculators must:

- meet the requirements set out in the [Scientific calculator list](#) and [Graphics calculator list](#)
- be handheld and solar or battery powered
- be cleared of memory before the assessment/s.

For assessments that permit the use of a non-programmable calculator (Accounting, Economics, Geography, Legal Studies), the calculator must be handheld and solar or battery powered. It must not allow access to the following functions: computer algebra system (CAS), spellchecker, dictionary, thesaurus or translator.

Student devices

A student device is a battery-powered laptop or tablet. For assessments that require the use of a student device, you will either bring your own or a device will be provided by your school. Your school will advise you of the arrangements that apply to student devices for your assessments.
